

FACE OFF MOVING SCREEN

Drill Description:

(2 shots) Coach drops puck for X1 to win draw back to D. D skates with puck to center point as X1 drives the net. G2 provides a screen that shuffles along with D providing a constant screen. D shoots or sends in a slap pass to X1. X1 then continues drill by picking up puck behind the net and passes out to D who is driving the net.

Key Points:

- *Keep line of sight through screen, battle and lean to find puck.
- * Read X1's attack to net for proper play of tip
- *After first shot, get back to post quickly, and take a look at D's attack angle for a proper read.
- *Play rebound after 2nd shot.
